

Registered Massage Therapist (RMT)

Our award-winning multidisciplinary clinic is looking for a Registered Massage Therapist to join our growing team.

Are you a team player who is great at building relationships and passionate about helping others? If so, we want you to join our dynamic group of healthcare professionals. Our therapists are Burnaby's leading back, knee, and neck pain specialists, and dedicated to helping our patients get back to living a life they love. As our Registered Massage Therapist, you will have the opportunity to grow your skills and learn from top physicians in a multidisciplinary clinic environment.

Responsibilities

- Provide 30, 45, and 60-minute deep tissue, relaxation, and pre/post-natal massages using techniques such as myofascial release, trigger point release, and joint mobilization
- Execute clinical assessments and implement treatment plans for clients
- Monitor client progress and provide ongoing evaluation
- Communicate important information and educate clients on treatment strategies
- Keep accurate, up-to-date clinical records
- Work with other therapists and external stakeholders as needed
- Participate in continuous learning to further enhance skills
- Ability to work through situations with professionalism and confidentiality

Skills and Experience

- Registered member and in good standing with the College of Massage Therapists of BC (CMTBC)
- Massage Therapy Certification from a College of Massage Therapy diploma program
- Experience and/or interest in pre- and post-natal massage
- Relevant experience is an asset
- New graduates are welcome to apply

Hours

Hours are flexible and can be discussed in-person
