

Physiotherapist

Our award-winning multidisciplinary clinic is looking for a Physiotherapist to join our growing team.

Are you an excellent problem solver who enjoys working in a collaborative setting and passionate about helping others? If so, we want you to join our dynamic team of healthcare professionals. Our therapists are Burnaby's leading back, knee, and neck pain specialists, and dedicated to helping our patients get back to living a life they love. As our Physiotherapist, you will have the opportunity to grow your skills and learn from top physicians in a multidisciplinary clinic environment.

Responsibilities

- Execute clinical assessments and implement results-oriented treatment plans for clients
- Provide personalized, one-on-one care and prescribe appropriate therapeutic exercise programs
- Monitor client progress and provide ongoing evaluation
- Communicate important information and educate clients on treatment strategies
- Engage with patients in a caring, compassionate, and professional manner at all times
- Keep accurate, up-to-date clinical records based on the criteria set by the College of Physical Therapists of BC
- Work with other therapists and external stakeholders as needed
- Participate in continuous learning to further enhance skills

Skills and Experience

- 2+ years of clinical experience is preferred
- Registered member and in good standing with the College of Physical Therapists of BC (CPTBC)
- Eligible for membership with the Physiotherapy Association of British Columbia (PABC)
- Bachelor's degree in Physiotherapy or Rehabilitation Sciences
- Intramuscular stimulation (IMS) is an asset
- Experience collaborating with members within an interdisciplinary team
- New graduates are welcome to apply

Hours

Hours are flexible and can be discussed in-person
